Subject: RE: List of City of Kalamazoo Attendees at Tomorrow's Meeting

Wendy,

Thank you for sending me the list. For some reason, my computer system thought that the attachment could have been a malicious computer program and deleted it. Could you send me the list of people in the body of an email? Also, is there a visitor parking area that we can use for the meeting.

Thank you,
 Michael

which may be a computer program. This attached computer program could
contain a computer virus which could cause harm to EPA's computers,
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced
into the EPA network. EPA is deleting all computer program attachments
sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you
should contact the sender and request that they rename the file name
extension and resend the Email with the renamed attachment. After
receiving the revised Email, containing the renamed attachment, you can
rename the file extension to its correct name.

For further information, please contact the EPA Call Center at
(866) 411-4EPA (4372). The TDD number is (866) 489-4900.
